On January 15, 2013, a motion by Supervisor Antonovich directed the Chief Executive Officer (CEO), in conjunction with all affected departments including the Departments of Mental Health (DMH), Public Health (DPH), Community and Senior Services (CSS), Office of Education (LACOE), Public Social Services (DPSS), and Health Services (DHS), and in consultation with the Commission for Children and Families (Commission), to:

2. Develop Management Appraisal and Performance Plan (MAPP) goals for each affected department that align with the objective to provide services and meet the needs of these targeted youth; and

This workgroup has been meeting bi-monthly since January to discuss a model for service integration that incorporates existing efforts and

It has been determined that additional time is needed to finalize the service integration delivery plan and identify departmental MAPP goals. Therefore, we request a 60-day extension to complete this report.
